

Journey with *desert odyssey*

(second passage) ~ March 23-30, 2025

The week's retreat includes opportunities to take in the natural beauty of Jeju. Comprising UNESCO Heritage sites – Hallasan Mountain Natural Reserve and rejuvenating walks through the famed 'healing forests', Seongsan Ilchulbong Tuff Cone, with majestic views of the Jeju Straits, Isidore Farm and the life-sized depiction of the Stations of the Cross – Jeju offered the ideal location to experience beauty, explore wonder, and consider possibilities – both internally and externally

"Be still, and you will know, not by the knowledge of the mind, but by the knowledge of the heart, who God is and who you are."
