

Journey with

desert odyssey

Passage One | The Journey Begins | The Way In | Exploring Our Interior Life
~December 3-10, 2025

The week's retreat includes opportunities to take in the natural beauty of Jeju. Comprising UNESCO Heritage sites – Hallasan Mountain Natural Reserve and rejuvenating walks through the famed 'healing forests' and Seongsan Ilchulbong Tuff Cone, with majestic views of the Jeju Straits, amongst other magnificent sites. Jeju offers the ideal location to experience beauty, explore wonder, and consider possibilities – both internally and externally.

~Saryeoni Healing Forest

"It's not down on any map, true places never are."
