

Journey with Desert Odyssey on the Camino Finisterre-Muxía

Passage One | The Journey Begins | The Way In | Exploring Our Interior Life

April 23 - May 3, 2026

"We shall not cease from exploration, and the end of all our exploring will be to arrive where we started and know the place for the first time."
~ T.S. Eliot ~

Begin your extraordinary 118.8 km pilgrimage at the mythical "End of the World" itself, embarking on the captivating journey along the Camino Finisterre-Muxía, walking towards the heart of the Camino in Santiago de Compostela. This unique coastal route invites you to journey inland from the dramatic shores of Galicia, guiding you through wild, untamed landscapes where the raw power of the Atlantic Ocean meets rugged cliffs before transitioning to serene inland vistas. Unlike the traditional routes, this immersive experience offers a profound sense of anticipation, culminating in the majestic arrival at Santiago's cathedral. Discover breathtaking natural beauty, a rich tapestry of local life, and the deep satisfaction of forging your own path, retracing history in reverse, as you journey towards the very essence of the Camino.
