

# Journey with Desert Odyssey

Second Passage | The Journey Continues | The Way Out | Building Our Relational Life

March 10 - 17, 2027

*"It's not down on any map, true places never are."*  
-Herman Melville, Moby Dick-

The Journey Continues as we make our way out in Passage Two, and as we seek to build our relational lives. This week-long retreat provides abundant opportunities to connect with the captivating natural beauty of Jeju Island. You'll explore UNESCO World Heritage sites including the awe-inspiring Hallasan Mountain Natural Reserve, the dramatic Seongsan Ilchulbong Tuff Cone, and the intricate Geomunoreum Lava Tube System, where majestic views and ancient wonders await. Find serenity and renewal with rejuvenating walks through Jeju's famed 'healing forests', alongside discovering other magnificent natural sites.

## Register Your Place

Rooms are limited and slots are confirmed based on a first-registered with a deposit, first-confirmed basis. To find out more, please contact:
