

Journey with Desert Odyssey

First Passage | The Journey Begins | The Way In | Exploring Our Interior Life

May 25 -June 1, 2027

"We shall not cease from exploration, and the end of all our exploring will be to arrive where we started and know the place for the first time."

- T.S. Eliot -

The Journey Begins as we make our way into the first passage of desert odyssey, and as we courageously seek to explore the richness of our interior lives. Explore our stories in greater depth and discover the beauty that lies just beneath the surface of our busy lives. This is the midst of a tranquil setting in the quiet of early winter in Western Australia.

Bottlenose dolphins, wetland birdlife, a private picnic lunch cruise on the Murray River, long, leisurely strolls on the boardwalk, accommodations fronting the foreshore. Tuck into a sumptuous seafood meal, enjoy a latte at one of the many cafes overlooking the waterways that dot the Mandurah foreshore. These lie in store for us as we retreat a step back and away from the oft frenetic pace of our lives into a more sustainable rhythm.
