Xacobeo 2027

Step onto the historic Camino Portugués and experience the magic of the Camino de Santiago on this unforgettable 118km pilgrimage from Tui. The Central Route of the Camino Portugués from Tui to Santiago is one of the most rewarding and historic walking trails in Europe. 2027 is special because it is the holy year Xacobeo, making it an extraordinary time to embark on this journey. Together with a small group of fellow peregrinos, you'll wander through the green landscapes of Galicia, pass through enchanting medieval towns, and follow ancient Roman paths that have guided pilgrims for centuries. More than just a walk, the Camino is a deeply enriching journey of reflection, friendship, culture, and personal discovery – all culminating in the iconic city of Santiago de Compostela.
